WHO WE ARE

A practical partner in progress

We work with businesses and public institutions to improve capability and operational effectiveness. Our engagements are shaped by each client's objectives, with teams sharing knowledge and approaches across our three-country presence.

Our vision

To be a trusted consulting company recognised globally for excellent results, reduced risk and greater efficiency for our clients.

Our mission

To equip organisations through tailored capacity building and consulting, strengthening skills, supporting growth and contributing to sustainable success through collaboration and integrity.

WHAT WE OFFER

Consultancy that moves work forward

We identify the capabilities an organisation needs, then shape the right mix of advice, systems and delivery support.

LEARNING IN CONTEXT

Study tours & convenings

Blueorb organises study tours, seminars, workshops and conferences for organisations seeking firsthand insight, peer exchange and practical learning. Each engagement is planned around the group's subject and objectives.

01 Study tours

Engage with relevant leaders and institutions, and see approaches in their operating context.

02 Seminars & workshops

Create space for interactive learning and applied discussion.

03 Conferences

Connect professionals across sectors to explore trends, ideas and collaboration.

ACROSS BORDERS

International programmes

Our presence in Abuja, London and the United Arab Emirates supports programmes with a wider outlook. The source brochure lists the following training destinations; availability, host arrangements and itineraries are confirmed during planning.

DESTINATIONS LISTED IN THE SOURCE BROCHURE

01	Istanbul	07	Doha
02	Dubai	08	Geneva
03	South Africa	09	Hong Kong
04	Ghana	10	Singapore
05	Morocco	11	United Kingdom
06	Kigali	12	United States

We tailor local and international learning programmes to the subject, participant group and desired outcome, working with local and international firms where appropriate. Enquire for a proposed format, schedule and fee.

PLANNING A PROGRAMME

Participation & fees

Course fees, dates and duration are provided on request and depend on the chosen subject, number of participants, location and training needs.

THE BROCHURE STATES THAT FEES INCLUDE

- Training manual and course materials
- Training venue
- Tea or coffee break with snacks
- Buffet lunch
- Certificate of participation

PARTICIPANTS ARRANGE OR PAY FOR

- Airfare
- Ground transportation
- Accommodation

The source refers to both buffet lunch being included and “feeding” being excluded. Confirm which other meals, if any, are covered in the quotation before booking.

HOW TO ENQUIRE

Send the course title, organisation, intended participant count, preferred location and timing to info@blueorbsolution.com. The team can then prepare a tailored proposal.
